Calibration Service Packages

Keep your thermal camera in optimal performance condition and avoid unforeseen downtime with a FLIR CARE service package. Whether you are looking for a performance verification service or a traceable calibration adjustment service, FLIR CARE's traceable calibration services have you covered.

FLIR Care offers three packages—FLIR CARE+ performance verification, FLIR CARE PRO calibration adjustment service, and FLIR TOTAL CARE priority calibration and adjustment service. All FLIR CARE service packages offer a multi-point inspection as well as traceable calibration data so you can rest assured that your measuring instrument is accurate and performing to factory specifications.*

Extended Warranty Service Packages

FLIR PROTECT Extended Warranty and Service Packages give you the peace of mind that your camera is protected from material defects and issues for three years after your factory warranty expires. Choose FLIR Protect+, FLIR Protect Pro, or FLIR Total Protect to bundle a discounted FLIR CARE Service with your FLIR PROTECT extended warranty.

*FLIR CARE and FLIR PROTECT services cover one optic (field of view). Additional optics can be included for a fee
